IDENTITY

A light, pleasing, only briefly extracted and yet barrel-aged red wine for every day.

TASTING NOTES

Bright ruby colour. Fruity aroma, with notes of gooseberry and raspberry. On the palate, it presents medium volume, smooth tannins and a balanced freshness.

SERVICE & PAIRING

Serve at 14 - 16ºC. Goes well with everyday dishes or on its own.

VINIFICATION & AGEING

Grapes from carefully tended vines with strong yield reduction. Strict manual selection. Temperature-controlled fermentation in steel tank, short extraction on skins to accentuate the fruity character. Aged for eight months in used French oak barrels. Completely handmade and unfined.
